ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Employer/Petitioner's February 24, 2012 Application for Review (AFR) appealing a Compensation Order issued on January 25, 2012 by the Hearings and Adjudication section of the Office of Hearings and Adjudication, Department of Employment Services. On May 6, 2013, Employer filed a Joint Request for Voluntary Dismissal of the AFR with Claimant agreeing to the request that the above captioned matter be dismissed and remanded to the Office of Worker's Compensation (OWC) for further action.

It is therefore ORDERED that, the Employer's February 24, 2013 AFR is hereby DISMISSED without prejudice, subject to the right of either party to request its reinstatement within 20 days from the issuance of an Order from OWC from which either party takes exception. This matter is remanded to OWC for further proceedings.
